Snapshot Deletion Tool

Review the [Snapshot Deletion Tool | Infinite Campus](https://kb.infinitecampus.com/help/snapshot-deletion-tool) (<https://kb.infinitecampus.com/help/snapshot-deletion-tool>) article for more information regarding tool rights.

- Select the **State Report** from the Report Type dropdown.
- Click **Search**

Snapshot Deletion Tool ☆

System Settings > State Edition > Snapshot Deletion Tool

Instructions

This tool allows District users to look through submitted Snapshots and send deletion requests to the State. The State is then able to approve or deny those requests and if approved the system will remove the particular submitted Snapshot.

- The **Rerun** column indicates the PMR reports that are "Rerun" during the school year as follows:
 - "0" is the initial run of the report.
 - "1" is the rerun of the PMR 1 for the 1R.
 - "2" is the rerun of all the PMR reports for the PMR 9.
- Select the report requiring a snapshot deletion.
- Enter a short comment explaining the reason for the request.
