

(NC) IAE08 OSS Medical Action

09/03/2026 6:44 am EDT

All incident information should be entered in compliance with the [Discipline Data Collecting and Reporting Manual](https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data) (<https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data>). Refer to the manual for guidance on proper coding of incident behaviors and resolutions.

Purpose

This check identifies where “135 OSS Medical Reasons” was used by the behavior event associated is not “065-ND: No Immunization” or “077-ND: No Physical exam”.

No Immunization and Physical Exam should only be used to document if students were not permitted to attend school until the required proof of immunization or required medical form was obtained. The behavior code should be used along with the action code of “135 OSS Medical Reasons”. These incidents are not considered out-of-school suspensions and are excluded from reporting. This check flagged incidents with the action code of 135 but the behavior code was not 065 or 077.

See the [Discipline Data Manual](https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data) (<https://www.dpi.nc.gov/data-reports/discipline-alp-and-dropout-data>) for guidance.
