- Determine whether the Grade accurately reflects the student's grade placement.
- Determine whether the Admission Status is valid for the student's Grade and accurately reflects the student's instructional program.

Refer to the **School Attendance and Student Accounting (SASA) Manual** (<https://www.dpi.nc.gov/districts-schools/district-operations/financial-and-business-services/student-accounting>) when determining the appropriate Admission Status.

Note: Students in grade levels below 6 are not eligible for an Extended Day Admission Status. MED1 and VED1 apply only to grades 6-12.

Recommended Action

Review the student's **Grade** and **Admission Status** to determine which value does not accurately reflect the student's enrollment and instructional program.

Grade Is Incorrect

- Review the student's enrollment and applicable documentation.
- Determine the grade level that accurately reflects the student's enrollment.
- Follow the appropriate grade correction using the **Retention/Promotion | NC Department of Public Instruction** (<https://ncdepartmentofpublicinstruction.knowledgeowl.com/home/retentionpromotion>) options.
