

Review RP Retained/Reclassified Detail

11/06/2026 7:54 am EST

Summary

The **RPD02 - Retained/Reclassified** lists students whose final grade level progression outcome is **Retained** or **Reclassified**. The final outcome may reflect the end of year decision or later information, such as summer records or current year enrollment.

For this report:

- **Retained** means the resolved decision is that the student did not advance to a higher grade. This may be based on a Retained decision in a source record or current year enrollment showing the same grade as the reporting year grade.
- **Reclassified** means the resolved decision places the student in a lower grade than the reporting year grade, or a source record contains a Reclassified decision.

These terms describe how the report classifies the student's grade level outcome. Review the source records to confirm why the outcome was recorded. For students eligible for PMR reporting, both Retained and Reclassified map to **Retained**.

Severity

Information

What to Review

Compare the outcome fields with the student's end of year, summer, no show, and current year enrollment information, when available.

Report field	What it shows
ReportEndYear	The end year of the reporting school year. For example, 2026 represents 2025-26.
schoolCode, schoolName	The school associated with the record.
studentUID, lastName, and firstName	Information used to identify the student.

Report field	What it shows
stateGrade	The student's grade at the reporting school during the reporting year.
eoyOutcome	The end of year administrative outcome: Promoted, Retained, or Reclassified.
summerOutcome	The latest resolved summer outcome, when summer evidence is available. Conflict means the latest summer decisions disagree.
noShowOutcome	The outcome recorded in an administrative no show record at the reporting school.
cyStateGrade	The student's grade in current year (CY) enrollment at the reporting school.
cyGradeOutcome	How the current year grade compares with the reporting year grade: Promoted, Retained, or Reclassified.
finalProgressOutcome	The final outcome used by the report. RPD02 includes Retained and Reclassified outcomes.
reportingOutcome	The classification used for PMR reporting, when the student is eligible. The field may be blank when the student is not eligible.
outcomeSource	The type of information used to determine the outcome, such as EOY, Summer School, Summer No Show, or CY Enrollment.
outcomeDecisionRule	The rule used to determine the final outcome.
outcomeReviewReason	One or more reasons that may need review. Multiple reasons are separated by semicolons.
pmrPopulationFlag	Shows whether the student is included in the PMR population. 1 means yes; 0 means no.
enrollmentLastDayPopulationFlag	Shows whether the student is included in the end of year enrollment population. 1 means yes; 0 means no.
genuineEarlyLeaver	Shows whether the student is identified as an early leaver. 1 means yes; 0 means no.
summerEnrollmentCount	Number of qualifying summer school Enrollment records for the student.
summerProgramCount	Number of Summer Education program records for the student.

When checking source records, these values are used to identify the outcome:

Source record	Value	RP outcome
Enrollment end action	P	Promoted
Enrollment end action	R	Retained
Enrollment end action	D	Reclassified
Summer Education program exit status	SPR	Promoted
Summer Education program exit status	SRN	Retained
Summer Education program exit status	SGR	Graduated

A student may appear in RPD02 and still be excluded from official progression counts. Check genuineEarlyLeaver when comparing report results with summary totals.

RPD02 - Retained/Reclassified flag and count report information.

Recommended Actions

Review the Source Records

- Review outcomeSource to identify which record contributed to the final outcome. Compare outcomeDecisionRule and finalProgressOutcome with the available source information.
- For enrollment, end of year, current year, or no show information, open *Student Information > General > Enrollments*.
- For a Summer Education program record, open *Student Information > State Programs > Summer Education*.
- Compare the record's outcome with the report. Enrollment end actions P, R, and D represent Promoted, Retained, and Reclassified. Summer Education exit statuses SPR, SRN, and SGR represent Promoted, Retained, and Graduated.

- Read each value in outcomeReviewReason. If the reason points to an outcome review, summer/no show conflict, or reporting mismatch, open the related RPC01 - Outcome Review (https://nc-sandbox.knowledgeowl.com/home/rpc01-outcome-review), RPC03 - Summer No Show Conflict (https://nc-sandbox.knowledgeowl.com/home/rpc03-summer-no-show-conflict), or RPC08 - Reporting Outcome Mapping (https://nc-sandbox.knowledgeowl.com/home/rpc08-reporting-outcome-mapping) article.
- Correct a source record only when it does not reflect the student's actual information.
  Follow Retention/Promotion Corrections (https://nc-sandbox.knowledgeowl.com/home/retentionpromotion-corrections) for the correction process.

Verify the Review or Correction

After reviewing the record or correcting inaccurate source information:

- Allow the RP data to refresh.
- Run the RP data validations again.
- Review RPD02 to confirm that the outcome reflects the available information.
